The Green Card or International Motor Insurance Certificate certifies and guarantees the Civil Liability insurance towards third parties in the countries that are participating in the Green Card System in accordance with the legislation and minimum limits of insurance cover in the country of accident.

The Green Card is issued under the authority of each Motor Insurance Bureau further to **Recommendation No 5** by the European Union and U.N. Road Transportation Commission.

It is supplied to a Bureau's member insurance companies, which in turn provide them to their clients who wish to travel outside the country's borders.

It is prohibited to issue a Green Card for vehicles with foreign registration plates.
