The Greek Bureau is the competent entity for concluding Frontier Insurance for vehicles entering Greece and which go through border control for insurance coverage (vehicles coming from countries not belonging to the System or vehicles coming from countries of Section II of the Internal Regulations) and are not provided with a valid Green Card.

Note: The Frontier Insurance Card with a validity period of 30 days is issued only once under exceptional circumstances and the following preconditions:

- The insured signs a declaration that he/she will not again make use of the facility that is provided to them

- **The insured has been informed that the Certificate provided to him/her is not valid in the territory of the country where the vehicle is registered, and for which the Frontier Insurance has been issued.**

The Bureau's Frontier Insurance is provided at border stations of entrance in the country and covers damages that are caused in Greece and in the whole territory of the E.E.A.
